

PLASTIC MOLD

JOUMON

Why Choose Us? — 為何選擇我們?

1. 大小模具皆可承接，專業開發製造
 - 承接 0.5~15 噸各類塑膠模具，滿足不同產業需求
 - 專精於家電、汽車、3C、醫療、玩具等產品的模具開發與製造
2. 廠內加工，品質穩定可控
 - 完整加工設備，從開粗、精修到組立一條龍服務
 - 掌控每道製程，確保模具精度與使用壽命
3. 彈性生產，交期準確
 - 靈活排產，確保準時交貨
 - 支援客製化開發，配合不同產品需求
4. 售後服務與技術支援
 - 提供模具維修、調整與優化建議
 - 以專業經驗協助客戶提升生產效率
5. 符合外銷標準，品質有保障
 - 嚴格依照外銷標準製造，確保模具耐用、精準
 - 不論外銷或國內模具，皆符合高規格品質要求
 - 精密加工與嚴格檢驗，降低調整與維修成本

Our Services — 我們的服務

1. 模具開發與製造

- ◆ 專業塑膠模具設計與生產，承接 0.5~15 噸 各類模具
- ◆ 涵蓋 家電、汽車、3C、醫療、玩具等產業，可依需求客製化
- ◆ 符合外銷標準，以嚴格規範完成國內外模具製作
- ◆ 從設計到組裝測試一站式服務，確保模具品質與生產穩定

2. CNC 加工與零件製造

- ◆ 提供 模具零件精密加工，適用於新模、維修或改模需求
- ◆ CNC 銑削、放電加工、鑽孔、雕刻 等完整加工流程
- ◆ 模具加工製成廠內獨立完成

3. 模具維修與調整

- ◆ 模具翻新、損壞修復與結構優化，提升使用壽命
- ◆ 尺寸誤差修正、變形調整，確保生產精度
- ◆ 模具保養與預防性維護，降低生產風險

4. 試模與技術支援

- ◆ 試模調校與生產測試，符合外銷品質要求
- ◆ 射出參數優化與調整，降低生產不良率
- ◆ 技術顧問服務，提供最佳模具設計與生產解決方案

PLASTIC MOLD

JOUMON

Why Choose Us? — 為何選擇我們?

1. Large and Small Mold Expertise, Flexible Production
 - Capable of handling molds ranging from 0.5 to 15 tons to meet various needs.
 - Covers home appliances, 3C, automotive, toys, and other plastic mold manufacturing.
2. Comprehensive Processing, One-Stop Service
 - From rough machining to precision finishing, ensuring high-standard final products.
 - Customizes production according to customer requirements.
3. Reliable Lead Time and On-Time Delivery
 - Flexible scheduling, ensuring efficient production timelines.
 - Reducing customer waiting time while maintaining high-quality results.
4. After-Sales Support and Maintenance Services
 - Provides mold maintenance and repairs.
 - Ensures long-term usability and performance stability.
5. International Quality Standards
 - Molds are produced to meet strict international export standards.
 - Ensures high precision and durability for global markets.

Our Services — 我們的服務

1. Mold Development and Manufacturing

- Specialized in plastic mold manufacturing, handling molds from 0.5 to 15 tons.
- Covers injection molding, CNC machining, and comprehensive mold processing.
- Designed to meet high-precision international standards and customized needs.

2. CNC Machining and Component Manufacturing

- Equipped with advanced CNC machining centers for precise and efficient processing.
- Capable of rough machining, high-speed machining, and fine finishing.
- Offers customized part manufacturing based on client requirements.

3. Mold Maintenance and Adjustment

- Provides mold maintenance, repair, and modifications.
- Extends mold lifespan and ensures continued production efficiency.

4. Mold Trial and Technical Support

- Offers mold trial services, ensuring optimal production results.
- Provides technical consultation and molding defect analysis solutions.
